SUMMARY

Backend Software Engineer with ~2 years of experience designing **low-latency APIs**, high-concurrency systems, and scalable backend infrastructure. Proficient in **Python**, **Java**, and **TypeScript**, with expertise in multi-agent microservices and financial execution automation. Skilled in building resilient, observability-focused backend platforms inside Docker and AWS environments.

EXPERIENCE

Software Engineer 2013 Backend

Nov 2024 – Present

Voxomos Systems - Product-Based Startup

Noida, U.P.

Resource Management Server

- Designed and built a **Java-based Resource Management System** utilizing **Spring Boot** and multi-threading to improve allocation efficiency by ~60%.
- Implemented **low-latency**, idempotent **REST APIs** backed by an immutable **MySQL** ledger, handling race conditions at scale.
- Engineered thread-safe allocation logic using **BlockingQueue**, reducing queue latency by ~35% and failures by ~80%.

AI-Powered Email Phishing Detection System

- Orchestrated a **real-time email threat detection system** to analyze URLs and attachments using LLM-based classification in **Core Java** and **Spring**.
- Integrated Llama 3 inference and implemented **Docker**-based sandbox pipelines, processing ~50 emails/min with parallel execution.

Software Developer

Feb 2024 – Oct 2024

ZenTrades Inc. - SaaS Product-Based Startup

Pune, Maharashtra

Excel Report Format Correction & Standardization

- Designed and optimized backend report workflows using **Node.js** and **REST APIs**, reducing query times and SQL load by ~40% with caching.
- Scaled frontend report interfaces using **JavaScript (ES6+)**, reducing user time-to-insight by ~25% for large datasets.

TECHNICAL SKILLS

Languages: Java, JavaScript (ES6+), SQL, Python, TypeScript, HTML5, CSS3

Backend & Systems: Spring Boot, Node.js, Express.js, REST APIs, Microservices, MySQL, Linux

C.S. Fundamentals: OOP, Design Patterns, DSA, Concurrency & Multithreading, System Design

Tools & Infra: Kubernetes, AWS, Docker, Jenkins, Git, Splunk, Postman

EDUCATION

Vellore Institute of Technology

Sep 2020 – Jul 2024

B.Tech - Computer Science and Engineering - 8.54/10.0 GPA

Bhopal, MP
